SUMMARY

Self-motivated and driven mechanical engineering student looking to gain practical experience in engineering related fields, apply the conceptual knowledge towards real life problems, gain a more diverse viewpoint of other engineering related career paths, and practice social and soft skills, such as communication and teamwork

PROFESSIONAL EXPERIENCE

- **Product Development Intern** **June 2016 – August 2016**
SAP Fieldglass – Naperville, IL
 - Drafted technical documents for specific parts of the web application
 - Performed quality assurance on prototype sections of the web application and aided identifying solutions to any bugs in it.
 - Categorized and organized pre-existing custom solutions and identified some custom solutions can be used for multiple problems.
- **Quality Assurance Intern** **June 2015 – August 2015**
SAP Fieldglass - Naperville, IL
 - Wrote Visual Basic scripts to generate data for automation testing
 - Recorded Selenium IDE scripts within a web application, exported it into Java Script, and edited the Java Script to be more flexible within that web application
 - Adjusted data and XML files for a certain BAT file in order to run test cases

LEADERSHIP & OTHER EXPERIENCE

- **Director of Communications of the Asian-American Coalition at the University of Iowa (2015)**
 - Organized and distributed important information and news regarding the Asian American Coalition
- **National Student Leadership Conference (2011)**
 - Lead fellow students in designing technical solutions given in engineering workshops
- **Feed My Starving Children (2016)**
 - Worked in a team to efficiently pack food for children in need

EDUCATION

Bachelor of Science in Mechanical Engineering - May 2018

- University of Iowa
- GPA: 3.17 of 4 (Completed 75 Semester Hours)
